## How it Will Work

### 1. Launch

The launch of the 48 Hour Film Challenge will be held on Thursday 7<sup>th</sup> June at 7pm in the Portershed, with a wine reception. A member from each team will introduce themselves, their team and their film idea. *At least one member of each team needs to attend the Launch.* Please note that if a team is not represented at the Launch, the teams film will not be eligible for the competition. At the launch each team will be assigned a random prop and each team will be told the line they all need to incorporate in their films!

### 2. Competition Times

The next morning Fri 8<sup>th</sup> June, teams collect their lanyards from us at the Portershed from 9:30am onwards. At **11am** the competition kicks off! From that time each team has 48 hours to shoot and edit their film. The films need to be finished exporting by 11am and handed into us by 12noon on Sunday 10<sup>th</sup> June. They can be handed in via USB to us at the Portershed or transfered digitally. Films will be screened at 7pm in the Town Hall Theatre on Sunday 10<sup>th</sup> June, with the best film (as chosen by a team of judges) winning €500!

### 3. Podcast

We will be recording a podcast on the afternoon of Sunday 10<sup>th</sup> June at the Portershed at **1pm** and would like to have a member of each team take part in it to get their views and insights into the challenge. It will be an informal recording and will be a chance for teams to exchange their experiences of the 48 Hour Challenge and maybe some funny stories. It can be any member of the team at the podcast.

Please give name of person who can attend the podcast: .....

### 4. Headquarters

The 48 Hour Challenge headquarters will be the **Portershed**. The Little Cinema will be based there from 9am to 9pm on Friday and Saturday and will provide phone numbers for any issues that may arise during the Challenge. There is also some space available there for filmmakers to edit at if they need a space, but they must have their own computers to work with.
